Primary Applicant Manager Guidance Notes

Our online DBS and digital Right to Work checks can be completed by accessing the internet from any device that has this facility. This includes a smart phone, tablet, laptop or PC. It is supported on the latest versions of all modern browsers; however, we do not recommend access via Internet Explorer as this browser is unsupported both by our technology and soon by Microsoft also. The software is simplistic and easy to use. You can gain access to the system within minutes.

You have been granted access to eBulkPlus in the role of a Primary Applicant Manager. A Primary Applicant Manager can view and edit all applications created under the organisation or specific division they have been created under. A Primary Applicant Manager can stipulate what ID has been seen in relation to an applicant and complete Section Y details. After an applicant's ID has been verified and Section Y completed, a Primary Applicant Manager has the authority to approve an application for countersigning.

Logging onto the System

Please enter the following address into your web browser:

<https://www.criminalrecordsservices.com/>

Click on **REGISTERED COMPANIES**, **ACCOUNT MANAGERS** then click on **ONLINE APPLICATION SERVICE**

You will now be on the main login page that shows three white boxes. Please note at this stage of the process, your login details are case sensitive.

- On 'Application Management' page.
- Enter your company Organisation Reference - this will have been supplied to you in an automated email (**if you cannot remember this please click on the 'Forgotten your login details?' icon at the bottom of the screen to be sent a reminder**).
- Enter your Username.
- Enter your Date of Birth (**for first initial login please ensure you enter the default date of birth 01 Jan 1998. Failure to do so will deny you access to the system**).

Screen Shot 1

- Once you have completed this section click 'Enter'.

- Enter your password (this will be supplied to you in an automated email) – see screen shot 2 below (**if you cannot remember this please click on the ‘Forgotten your password?’ icon at the bottom of the screen to be sent a new one-time password**).

If you have difficulty gaining access to the system, please contact 01942 609365 however please ensure the first time you login that you have not been denied access because of entering your own date of birth. **The first time you login you must enter the temporary default date of birth 01 Jan 1998.**

The screenshot shows the 'Application Management' login page. At the top left is the 'matrix SECURITY SOLUTIONS' logo. The main heading is 'Application Management'. Below it, the text 'Please enter your password.' is displayed. There is a password input field labeled 'PASSWORD *' with a single character 'l' entered. To the right of the input field is a blue 'LOGIN' button. Below the login button is a red link that says 'Forgotten your password?'. On the right side of the page, there is a dark blue box with white text titled 'FIRST LOGIN:' which contains instructions about entering a temporary date of birth and password for the first login, and that these can be changed to the user's own choice.

Screen Shot 2

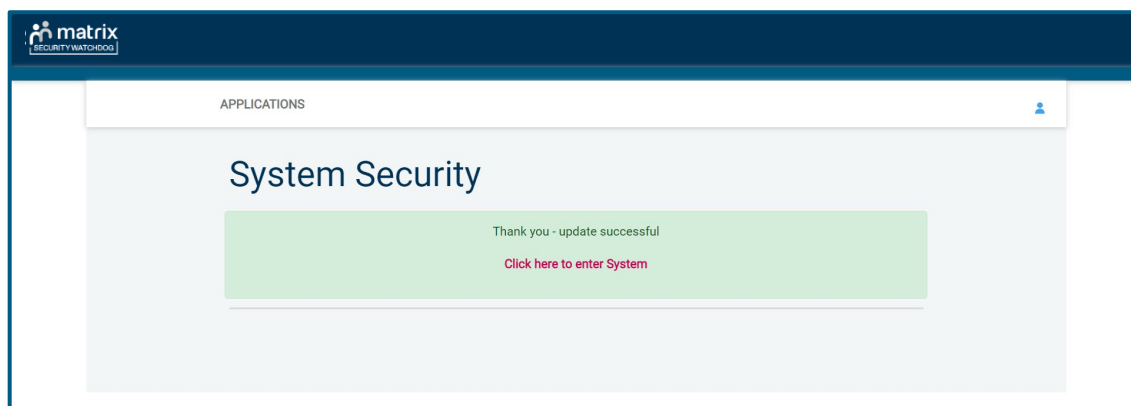

- Please note, after initial login you will be required to set your own password and enter your own date of birth for future login purposes.
- Please re-enter into the ‘**Current Password**’ field the temporary password you received in your initial e-mail and then create your own unique password (see screen shot 3 below).
- The password you create must be between 8 & 30 characters containing at least one upper case letter, one lower case letter, one special character and at least one number.
- Please then enter a date of birth of your choice for future login purposes.
- Please then click ‘**Update**’.

The screenshot shows the 'System Security' page for creating a new password. The heading is 'System Security'. Below it, the text says 'Please create a new password and enter your Date of Birth. These details will then be used for all future system access to the Application Management section.' and 'The password must be between 8-30 alphanumeric characters with no whitespace and contain one upper case letter and one lower case letter. It must also contain at least one special character and at least one digit.' Below this is a form titled 'Your Login Details' with three password fields: 'CURRENT PASSWORD:', 'NEW PASSWORD:', and 'CONFIRM NEW PASSWORD:'. Below the password fields is a 'DATE OF BIRTH:' section with three dropdown menus showing '01', 'Jan', and '2001'. At the bottom of the form are two blue buttons: 'BACK' and 'UPDATE'.

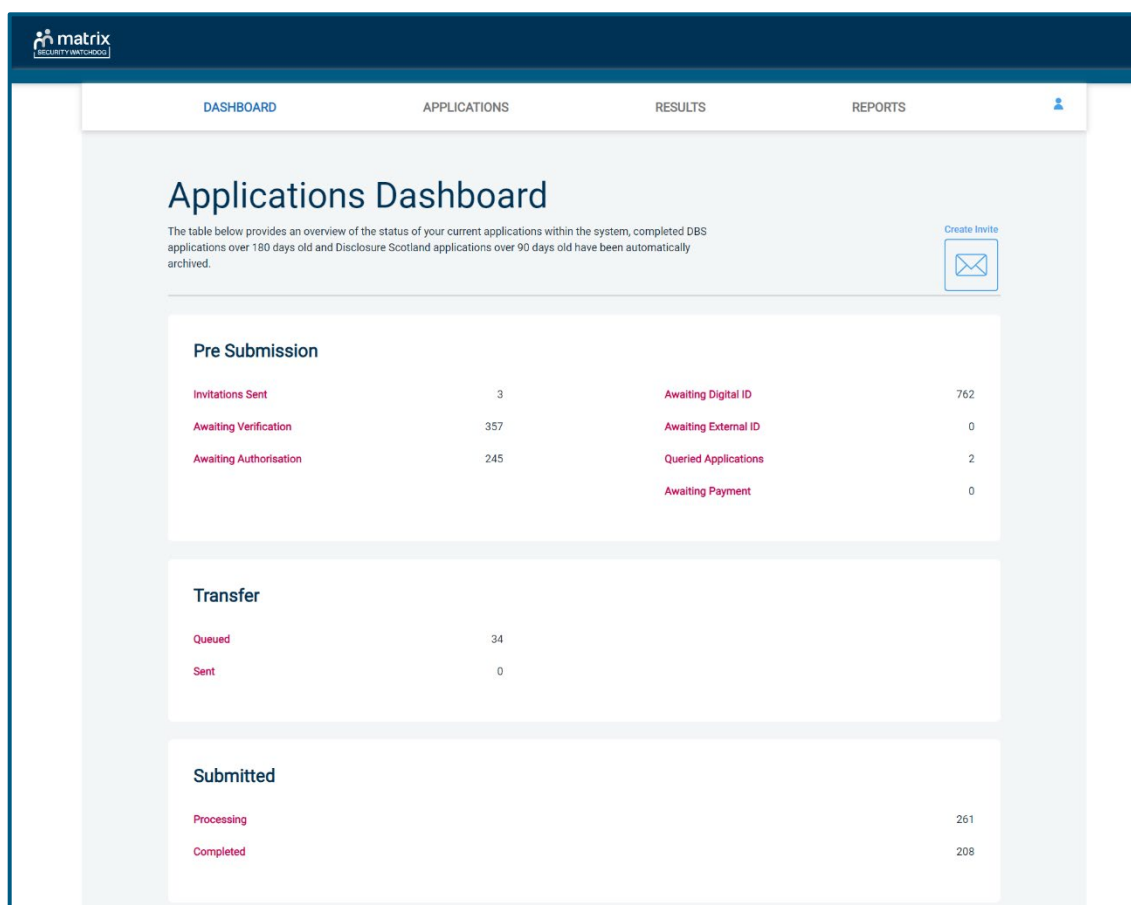

Screen Shot 3

- If you have successfully created your own password, you will now be able to enter the system by clicking the '**Click here to enter System**' icon in the green box (please note you do not need to re-enter your password details once the green box has appeared).

Screen Shot 4

- This will now take you to the main eBulkPlus Home Page called the '**Dashboard**' (see screen shot 5 below).

Screen Shot 5

Inviting an applicant to submit their application

You can generate an email invite to an applicant(s) inviting them to submit their application for any combination of the following checks – DBS/Disclosure Scotland check (with or without digital ID check) and digital Right to Work check, all from within the eBulk dashboard. This can be done by clicking the ‘Create Invite’ button at the top of the dashboard.

You will be taken to the invitation page where you can generate your invite (screenshot 6 below).

- You will need to select the ‘Organisation’ that you wish the applicant to create their application under, you will be able to select any organisations that you are linked to. You will be able to select the types/levels of check that you require the applicant to submit from the ‘Checks Required’ tick list below.
- You are then required to enter the applicant’s forename, surname and email address into the boxes provided. If you wish to invite more than one applicant to create this specific level of check for this specific organisation you can click the ‘Add Candidate’ button as many times as required to invite multiple applicants.

The screenshot shows the 'Create Candidate Invite' page within the eBulk dashboard. The page has a dark blue header with the 'matrix SECURITY WATCHDOGS' logo and navigation tabs for DASHBOARD, APPLICATIONS, RESULTS, and REPORTS. The main heading is 'Create Candidate Invite' with a subtext: 'Enter the following information to create an email invite issued to the candidate that will ask them to create their application.' Below this, it states 'Mandatory fields are denoted by (*)'. The form is divided into two main sections. The first section, 'Invite Details', contains a dropdown menu for 'ORGANISATION *' with a placeholder '-- select --'. Below this is a section for 'CHECKS REQUIRED *' with four checkboxes: 'DBS Standard/Enhanced', 'DBS Basic', 'DS Basic', and 'Digital Right to Work Check'. The second section contains a text input field for 'FORENAME *'.

Screen Shot 6

- If you need to invite a large list of individuals, you can use the ‘Bulk Upload’ feature instead allowing you to upload a spreadsheet of applicants to be invited (screenshot 7 below). If you wish to use this feature, please leave the forename, surname, and email address fields blank and instead upload a pre-created spreadsheet. A blank template is provided in the eBulk footer if required. **The spreadsheet must contain 3 columns only (Forename, Surname, Email address), any invalid data contained in the spreadsheet when uploaded will fail validation and be highlighted to you at the top of the screen.**

The screenshot shows the 'Bulk Upload' section of the eBulk dashboard. It features a heading 'Bulk Upload' and a subheading 'Select Excel File'. Below this is a file selection interface with a 'Choose file' button and the text 'No file chosen'.

Screen Shot 7

- Next, you are required to select a template from the 'Email Template' drop-down field (screenshot 8 below). You will have different template choices available to you based on the checks requested as part of the invite. Selecting one of these will populate the content of the invite email on-screen for you to review and amend if required. The pre-populated wording of these templates will either be the default wording coded into our system or a bespoke template for your organisation.
- Finally, click '**Send**' to generate the invite to issue the invite to the applicant(s) entered.

How to track/chase invitations

Step 1 - Once invitations have been generated and sent, they are stored in the system until the applicant creates their application from the invite they have received. On the Dashboard page (see screen shot 5 above), in the top box entitled **Pre-Submission**, click on 'Invitations Sent'.

You will be able to see the invitations that have been sent, waiting for the applicant to create their application. **When an applicant has created their DBS/DS application from the invite they have received, it will move from this dashboard folder and into the 'Awaiting Verification' folder. A Right to Work application form will move from into the 'Awaiting Digital ID' folder.**

The screenshot shows the 'matrix SECURITY WATCHDOG' interface. The top navigation bar includes 'DASHBOARD', 'APPLICATIONS', 'RESULTS', and 'REPORTS'. The main heading is 'Applications → I964SMIT353'. Below this, it states 'The details of this invite can be viewed below.' and 'Invite Created: 19/07/2023'. There are two buttons: 'RESEND' and 'WITHDRAW'. A tabbed interface shows 'OVERVIEW' and 'INVITE' (selected). Under 'Personal Details', the following information is displayed:

FORENAME	JOHN
SURNAME	SMITH
EMAIL ADDRESS	john.smith@test.com

A 'BACK' button is located at the bottom left of the invite details section.

Screen Shot 11

Step 4 – Invitation, to view the details entered for the invitation click the 'Invite' tab. If these details are incorrect, these can be updated by a user with the appropriate access (see screen shot 11).

Step 5 – Chasing an invitation

- If you wish to resend the invitation, please click the '**Resend**' button at the top of the page. This will resend the original invitation email to the email address detailed on the 'Invite' tab.
- Invitations will be automatically chased by the system at a default chase pattern of 3 times every 3 days unless a different chase pattern has been configured for your organisation. After the final chase, the applicant will then have a further 30 days to create their application until the invitation is automatically withdrawn by the system.
- If the invitation is no longer required, it can be withdrawn at any time using the '**Withdraw**' button at the top of the page. This will remove the invite from the '**Invitations Sent**' folder.

How to verify ID & Complete Section Y

Step 1 – On the Dashboard page (see screen shot 5 above), in the top box entitled **Pre-Submission**, click on **'Awaiting Verification'**. Please note that you will be able to see the total number of application forms you have awaiting ID verification and Section Y to be completed.

The DBS applications in this folder can be filtered using the **'ID Check'** and **'Section Y'** drop-down menus from the toolbar if the 'Channel' has been set to 'DBS'. These can be used to only see applications awaiting just the ID Check, just Section Y, or both. It can also be used to filter out applications that have had both the ID Check and Section Y completed, but that are just awaiting approval (see screen shot 6 below)

Step 3 – You will now see an overview of the applicant’s completed form with 4 other available tabs, Application, Notes, Documents and Audit (see screen shot 14).

- **Notes tab** – this provides the facility to add any notes relating to an application for other Primary Applicant Managers to see. To add a note, click the ‘Notes’ tab then click the ‘Add Note’ button. After entering the note, select ‘Save’.
- **Documents tab** – the reports returned as a result of any digital ID or digital RtW Check will be available to download from this tab.
- **Audit tab** – this provides a real-time audit trail of any activity relating to an application. This will show the date and time when a user views or edits an application as well as when the ID Check/Section Y was completed.

Step 4 – **Application**, to view the application details entered by the applicant, click on the ‘Application’ tab. Here you can see the entire application submitted by the applicant, this can be used to ensure the correct job role has been entered and to verify any ID given by the applicant in a previous surname or previous address (see screen shots 15 & 16).

If any of the information stated on the application is incorrect this can be amended. To edit any part of the application, click ‘Edit’ against that section of the application. Once you have amended the information on the application, click the ‘Next’ button at the bottom of the page to go back to the overview screen. A Primary Applicant Manager can amend any part of the application up until it has been countersigned by us; once the application has been countersigned it can no longer be edited.

Step 5 - Verifying ID

- You will notice at the top of the screen a box which highlights if the ID has been verified or not (see screen shot 14 above), with a section completion date. It will say in red **'Incomplete'** if the section has not been completed for either ID verification or Section Y. If there is a date entered it means that this action has been completed and will show the date that it was carried out on. If a digital ID check has already been requested but hasn't yet completed, it will state **'Pending Digital ID Result'**
- To complete the ID verification section, click on **'Complete ID Check'**, access to this section is located in two places – at the top of the screen or on the overview of the actual form itself. You will now be on the ID screen (see screen shot 17 below).

You will have three options for how you wish to perform the identity check. This can be carried out by using a certified identity service provider (IDSP) or by manually witnessing original documents provided to you.

Identity Check Method

You are now required to undertake an identity check to ensure the personal details entered on this application match the details held by the individual this check is being carried out against.

The identity check can either be carried out using a certified identity service provider (IDSP) or by manually witnessing original documents provided to you by the applicant.

Please select from the options below, how you wish to validate the identity of the individual this application has been completed for.

- ☐ Invite the applicant to undertake a digital ID check (plus digital Right to Work check if required)
SELECT THIS OPTION IF YOU WISH TO INVITE THE APPLICANT TO UNDERGO A DIGITAL ID CHECK USING OUR CERTIFIED IDENTITY SERVICE PROVIDER (IDSP)
- ☐ Complete the ID check using a digital ID check already obtained
SELECT THIS OPTION IF YOU HAVE ALREADY CARRIED OUT A DIGITAL ID CHECK THROUGH YOUR OWN PROVIDER
- ☐ Complete the ID check manually using original documents provided by the applicant

Verifying identity using the eBulk digital ID integration

This facility allows for the identity verification to be performed digitally and remotely without the need for the applicant to present original documents to you to be verified. It also allows you to request a digital Right to Work check at the same time as performing the identity verification digitally.

If you didn't request a digital ID check as part of the invite created and you wish to carry out the identity check using our certified identity service provider, please select **'Invite the applicant to undertake a digital ID check (plus digital Right to Work check if required)'** (see screen shot 17 above.)

You will now be taken to the digital invite page which will automatically populate the name and email address of the applicant where present (see screen shot 18 below.) To invite the applicant to undertake just a digital ID check, please select 'Digital ID Check Only' from the 'Digital ID Check Type' drop-down list and ensure their name and email address are populated along with selecting the email template to issue them. This will generate an email to the applicant allowing them to carry out their digital ID check via our certified IDSP.

To invite the applicant to undertake a digital ID check and a digital Right to Work Check, please select 'Right to Work + Digital ID Check' from the 'Digital ID Check Type' drop-down list and ensure their name and email address are populated along with selecting the email template to issue them. This will generate an email to the applicant allowing them to carry out their digital ID check and digital Right to Work check at the same time via our certified IDSP.

The screenshot shows the 'Create Digital ID Invite' page in the Matrix system. The page has a dark blue header with the 'matrix' logo and navigation tabs for DASHBOARD, APPLICATIONS, RESULTS, and REPORTS. The main content area is titled 'Create Digital ID Invite' and includes a breadcrumb 'Applications > 799PAWA713507'. Below the title, there is a brief instruction: 'Enter the following information to create an email invite issued to the candidate that will ask them to undertake a digital ID check.' and a note 'Mandatory fields are denoted by (*)'. The form itself is titled 'Invite Details' and contains three fields: 'DIGITAL ID CHECK TYPE *' with a dropdown menu showing options 'Digital ID Check only' and 'Right to Work + Digital ID Check'; 'SURNAME *' with the value 'smith'; and 'EMAIL ADDRESS *' with the value 'john.smith@capita.com'. The field 'John' is also visible below the dropdown menu.

Screen Shot 18

Applicants that have been invited to do a digital ID check can be found in the '**Awaiting Digital ID**' queue on the main dashboard (see screen shot 5 above.)

Once the digital ID check has been carried out, the ID section of the application will be updated with either a pass or fail result and a PDF report of the digital ID check can be downloaded by clicking the '**Download Digital ID Report**' button (see screen shots 19-22 below.)

If the result of the digital ID check is '**FAIL**', you must read the digital ID report to understand why and verify their identity manually depending on the reason the digital ID check failed. To do this, click the '**RESET ID CHECK**' button at the bottom of the ID screen to restart the identity process, this time selecting an alternative method.

If the result of the digital ID check is '**PASS**', the ID section will be auto completed upon receipt of the digital ID check result and there will be nothing further to do in relating to the identity verification part of the process.

If a digital Right to Work check was also requested, a '**RTW Check**' element will be added to the header of the application and will be updated with either a pass, fail or see report result. A PDF report of the digital Right to Work check can be downloaded by clicking the '**Download Digital ID Report**' button from either the ID screen or the RTW screen.

Verifying identity using a digital ID check already obtained

This facility allows you to verify the identity using a digital ID check already obtained via your own IDSP outside of our platform. If you wish to verify the identity using this method, please select **‘Complete the ID check using a digital ID check already obtained’** (see screen shot 17 above and screen shot 23 below.)

- Please select the ID documents verified by the IDSP as part of the digital ID check undertaken.
- Ensure that you confirm from the drop-down boxes that they have verified the applicant’s address and also that they have verified a document containing their date of birth.
- Please upload a copy of the digital ID report obtained from your IDSP by clicking ‘Choose File’
- If a Cost Code or Personnel Number is required to be assigned to the specific application, this can be entered in the Cost Code / Personnel Number field.
- Now click **‘Save’** and then click the **‘Return to Application’** icon in the green box located at the top of the screen. Now you are ready to complete Section Y of the form (this is the equivalent to Section X on the new lilac paper DBS application forms).
- Once the ID Check has been saved, if you realise that it has been completed incorrectly or through the wrong route, you can reset the ID Check section and complete it again if required. Please note, you will only be able to do this if you have been assigned the appropriate user privilege to do so. To do this, go back into the ID Check screen and click the **‘Reset ID Check’** button found at the bottom of the screen.

The screenshot shows the 'Identity Check' form in the eBULK PLUS system. The form is titled 'Identity Check' and includes a sub-header 'Applications > 890JALL712700'. Below this, a note states: 'Please confirm the details of the digital ID check carried out below, for further information please refer to the Identity Documents section of this screen.'

eBulkPlus will automatically ascertain the route that should (or must) be taken based on the nationality and country of birth stated by an applicant within their application form. If an applicant does not hold sufficient ID to be able to go through Route 1, you will then be required to click the **‘Unable to verify ID via Route 1 – proceed to Route 2’** button at the bottom of the screen.

- Please select the ID the applicant has provided for you from the drop-down boxes. Guidance notes can be found at the top of the screen and are in accordance with the DBS Code of Practice. Please ensure at all times that you follow the ID checking rules e.g. do not accept a utility bill if it is more than 3 months old or do not accept an out of date passport.
- Ensure that you confirm from the drop-down boxes that you have verified a document showing the applicant's address and also that you have verified their date of birth.
- If a Cost Code or Personnel Number is required to be assigned to the specific application, this can be entered in the Cost Code / Personnel Number field.
- Now click **‘Save’** and then click the **‘Return to Application’** icon in the green box located at the top of the screen. Now you are ready to complete Section Y of the form (this is the equivalent to Section X on the new lilac paper DBS application forms).
- Once the ID Check has been saved, if you realise that it has been completed incorrectly or through the wrong route, you can reset the ID Check section and complete it again if required. Please note, you will only be able to do this if you have been assigned the appropriate user privilege to do so. To do this, go back into the ID Check screen and click the **‘Reset ID Check’** button found at the bottom of the screen.

VIEW APPLICATION RESET ID CHECK SAVE

Please note, that if an applicant cannot verify their identity via Routes 1, 2 or 3 they will not be able to process their application through eBulk and will need to complete a paper application stating **‘NO’** in section W59. Fingerprints will need to be taken and consent will be required by the applicant. An applicant who is a non-UK national seeking paid employment cannot go through its appropriate route; they will be unable to submit a DBS application.

A full list of DBS acceptable ID for each route can be found at the end of this guide

What you must do as part of the ID Checking process

When verifying identity manually, the applicant must provide a range of ID documents as part of the DBS check application process. As an employer you must:

- follow the ID checking process routes as outlined
- check and validate the information provided by the applicant on the application form
- establish the true identity of the applicant through the examination of a range of documents as set out in this guidance
- make sure the applicant provides details of all names by which they have been known
- make sure the applicant provides details of all addresses where they have lived in the last five years
- check that the online application is fully completed and the information it contains is accurate.
- you must only accept valid, current and original documentation
- you must not accept photocopies
- you must not accept documentation printed from the internet e.g. internet bank statements
- identity information for the applicant's name, date of birth and address recorded on the online application form must be validated
- you should in the first instance, seek documents with photographic identity (e.g. passport, new style driving licence, etc.) and for this to be compared against the applicant's likeness
- all documents must be in the applicant's current name
- one document must confirm the applicant's date of birth
- you must ensure that the applicant declares all previous name changes and provides documentary proof to support the change of name. If the applicant is unable to provide proof to support the change of name, you should hold a probing discussion with the applicant about the reasons why before considering validating their identity
- you must see at least one document to confirm the applicant's current address, in accordance with the guidance
- a document from each of the groups should be included only once in the document count e.g. don't accept two bank statements as two of the required documents, if they are from the same bank
- you should not accept the foreign equivalent of an identity document if that document is listed as '(UK)' on the list of valid identity documents

Step 6 - Completing Section Y

- To complete Section Y click on **'Complete Section Y'** (please refer back to screen shot 14). Access to this section is located in two places – to the top of the screen or on the overview of the actual form itself. You will now be on the **'Section Y'** screen – (see screen shot 25).
- If required, guidance can be read by clicking on the 'i' tooltip icons if you require any clarification regarding the application type required or any other drop-down boxes within Section Y.

Screen Shot 25

- Please complete the application details by selecting Yes/No answers from each of the drop-down boxes. You can add additional information about an applicant and their job role if you wish in the box at the foot of this screen.

Workforce Categories

- Adult Workforce - use this for any position that involves working/volunteering with adults
- Child and Adult Workforce - use this for any position that involves working/volunteering with both children and adults
- Child Workforce - use this for any position that involves working/volunteering with children
- Other Workforce - use this for any position that does not involve working/volunteering with Children or Adults (e.g. security guard / electrician)

- Finally click 'Save' then scroll to the top of the screen to the green box and click 'Approve'.

- Please ensure you click on 'Approve' – failure to do so will result in the form not being submitted for Countersignatory Authorisation.
- You have now completed this section; you will have no further action to take. The form will automatically transfer to your Registered Body to be countersigned, ready for onwards transmission to the DBS.
- ***If an application does require further clarification from us prior to submission to the DBS, a query will be flagged on the application and we will contact you for clarification. During this time, a copy of the application record moves into the 'Queried Applications' folder on the Dashboard (see Screen Shot 5) ***
- Once a form has been countersigned by your Registered Body, the application will be moved to the 'Transfer' section. Applications at this stage are awaiting collection by the DBS. Once the DBS have collected them, they will move into the processing stage – please see below for further details.

NB. An application form can be withdrawn at any time up to and including Countersignatory stage. Once a form has been electronically transferred to the DBS, we cannot withdraw it without incurring the DBS charge. If you wish to withdraw an application at Countersignatory stage, please contact us immediately, to enable the process to be halted

DBS Processing

Step 1 – Tracking an application – see screen shot 26.

- On the Dashboard you will see towards the bottom of the screen, a box called 'Submitted'.

The screenshot shows the 'Applications Dashboard' with a navigation bar at the top containing 'DASHBOARD', 'APPLICATIONS', 'RESULTS', and 'REPORTS'. Below the navigation bar, the dashboard title 'Applications Dashboard' is followed by a brief description: 'The table below provides an overview of the status of your current applications within the system, completed DBS applications over 180 days old and Disclosure Scotland applications over 90 days old have been automatically archived.' A 'Create Invite' button is visible in the top right corner.

The dashboard is divided into three main sections: 'Pre Submission', 'Transfer', and 'Submitted'. The 'Submitted' section is highlighted with a red box.

Screen Shot 26

- To track an application, click on '**Processing**', this will take you to a screen which will show all the applications for your company that are currently being processed by the DBS. To track an individual's DBS application, click on '**Track**' next to their DBS reference number in the right-hand column (see screen shot 27). This will take you directly into the DBS's tracking page for that applicant.

The screenshot shows the 'Applications Being Processed' screen. It includes a title, a description, and a table of applications. The table has columns for Date Sent, Our Ref, Surname, Date Of Birth, Org Ref, Application Ref, and Checks Required. The 'Application Ref' column for the first row is highlighted with a red box, and the 'Track' link next to it is also highlighted.

Filters and controls at the top include:

Step 3 – Indicating sight of the applicant’s certificate – see screen shot 30.

To help an organisation keep track of which applicants have brought their certificate in and been viewed by the organisation, the system is able to record the date the applicant’s certificate has been seen by their organisation or whether sight is not required. As an Applicant Manager, you can add this date on to an application to indicate that their certificate has been sighted.

To add the date or to view whether a date has been added, click on the reference number of the application from the ‘Completed’ folder (see screen shot 29 above). Once in the application, the date can be added in the ‘Applicant’s Certificate’ section at the top of the screen (see screen shot 30 below).

Step 4 – Uploading a scanned copy of the applicant’s certificate – see screen shot 31.

As an Applicant Manager, you may have been granted permission to upload and/or view uploaded certificates attached to results with content. If you have been granted the upload privilege, you are able to upload a scanned copy of the applicant’s certificate to their application as long as you obtain their consent. If you wish to use this facility, you will need to mark the ‘Written consent has been obtained from the applicant?’ box, once ticked you will have facility to select the required file to upload.

Once a file has been uploaded, you will be able to view this as many times as you wish by clicking the ‘Download Certificate’ button until the application is archived after 180 days (see screen shot 31 below). If you have been granted the appropriate privilege, you may also have the ability to remove the uploaded certificate by clicking the ‘Remove Certificate’ button. Please note a sample ‘Applicant Consent Form’ can be downloaded from the footer of eBulkPlus to use to obtain applicant’s consent.

As the Registered Body/Employer does not receive a copy of a completed DBS certificate, we advise that you have sight of the applicant's certificate regardless of the status outcome on eBulkPlus; however, this is for your organisation to decide based on your own internal policies. For completed applications with a result status of *"Please wait to view applicant's certificate"* you must view the applicant's certificate before making a recruitment decision.

Right to Work application results

Step 1 - Notification – refer back to screen shot 28 above.

- An automated email will be issued once a digital Right to Work check has been completed. To view a result for a Right to Work application, please return to the Dashboard and click on **'Completed'** in the Submitted section.

Step 2 - Viewing a Right to Work result– see screen shot 34.

- To view the result of the Right to Work check, click on the applicant's reference number (see screen shot 34). This information will stay in the '**Completed**' folder for 365 days from the issue date of the digital ID report. To download the full PDF report, click '**Download Digital ID Report**' (see screen shot 35.)
- Digital Right to Work results will state one of the following results in the 'Status' column;
 - Pass** – The applicant's Right to Work has been successfully established
 - Fail** – The applicant's Right to Work has not been successfully established, you will need to download the Digital ID Report to understand why
 - See Report** – The applicant's Right to Work check has been carried out and involved a share code as the applicant is of non-UK origin. You will need to download the Digital ID Report to get the full detail of their Right to Work status

- The following box will appear for you to enter as much of the applicant's details as you have available. E.g. if you only enter the surname without date of birth or DBS reference, it will bring up a list of every applicant with that surname. However, if you enter their date of birth as well, then this will define the search results accordingly. If you tick the 'Search Archived' button, this will display applications that have been archived from the system.

Reports

Step 1 - Running a report – see screen shot 38.

- To run a report, you need to return to the Dashboard and select the tab 'Reports' and then select the report you wish to run. There are currently a number of standard reports that you can choose from, however it is also possible to run a customised report (**please note that as you only process Standard/Enhanced DBS checks, you can ignore the right-hand section of the reports screen containing Basic Disclosure report information**).

Screen Shot 38

Stage 2 – Invoice Report – see screen shot 38 above.

This report can be used to produce an electronic version of the invoice you will receive from us or for you to calculate the company budget required in relation to DBS costs. This can be filtered by a specific division or can be run on all divisions within your organisation. The report captures applicant and organisation data with the addition of;

- Basic, Standard or Enhanced Fee
- Cost Code
- Organisation Postcode
- Admin Fee (referred to as Base Fee on the system)
- VAT
- Total application price

Stage 3 - Customised Reports and selecting field headings – see screen shot 39.

- To run a customised report, you can select the field headings and date criteria that you wish the report to contain. For example, this is an ideal opportunity to run a report when carrying out re-checks on your staff or for capturing cost codes for invoicing purposes. All reports can be printed or saved into an Excel spreadsheet (.CSV file) or PDF document.
